

Excellence in Engineering Consultancy

Mechanical & Electrical Engineering Solutions since 1995

About Us

THE PRACTICE

Alpha Consulting Engineers Pte Ltd was established in January 1995 in conjunction with Alpha Engineering Consultant to deliver a comprehensive spectrum of mechanical and electrical engineering consultancy services for building construction and industries across Singapore and the region.

OUR COMMITMENT

We are committed to providing high quality services to our clients. No effort is spared in producing economical, practical and reliable electrical and mechanical design, in sympathy with building architecture and structure, to meet client requirements and satisfaction.

Years of Excellence Since 1995

37

Total Staff Members

TEAM COMPOSITION

- 6 Registered Professional Engineers
- 16 Engineers
- 5 Engineering Assistants & Draftsmen
- 7 Site Staff
- 3 Administrative & Accounts Staff

INFRASTRUCTURE

Fully computerized office with servers, PC-based workstations, notebooks and peripherals interconnected via Gigabyte Ethernet Local Area Network and broadband connections to the Internet.

Services & Expertise

Mechanical Services

- Air conditioning and mechanical ventilation systems
- Hot/cold water; soil & waste plumbing
- Town gas, compressed air, central vacuum
- Boilers, steam & condensate services
- Swimming pool filtration plants

Electrical Services

- Power generation, base load & standby power
- Distribution sub-stations
- Power distribution systems
- Lighting design, normal & emergency
- UPS, cable management, lightning protection

Fire Protection Services

- Automatic fire sprinkler systems
- Fire hydrant & hose reel systems
- Wet & dry riser systems
- Gaseous extinguishing systems
- Fire detection & alarm systems

Transportation Services

- Lifts, escalators & travellators
- Dumbwaiters
- Automated document conveyance systems
- Cranes and hoists

Specialty Services

- Data centres, clean rooms, bio-hazard labs
- Cold rooms, district cooling systems
- Sewage & water treatment
- Air pollution control & IAQ systems
- Solar energy, energy/water recovery

Communication & Surveillance

- Voice communication & audio-visual systems
- PABX telephone, MATV & satellite reception
- Building automation systems
- Security monitoring, alarm & access control
